Virtual, Hybrid, & In-Person Programs

“Marta is a joy to work with and knocks every project out of the park. She’s the best.”

- Simmy Kustanowitz,
Chief Creative Officer

“Marta is my first call when putting together a project I care about - her eye, her wit, her passion, her huge network from many years in the TV biz, and her investment in the teams she leads makes her an outstanding collaborator.”

- Wendy Shanker, Consultant

“I witnessed Marta’s incredible creative talent, collaborative nature, fantastic attitude, and stellar management skills firsthand. She’s a big-picture thinker who elevates a project every step of the way.”

- Corin Nelson, SVP of Development

“Marta has the perfect balance of leadership, experience and humor. I love working with her because no matter how tough the job gets, you are going to laugh your way through it. She’s the MVP.”

- Esteban Serrano, Producer

“When it comes to collaborators & coworkers - Marta is the best!”

- Chelsea White, Speaker
