With over 20+ years in the media industry, Marta Ravin offers invaluable guidance to students and recent graduates looking to carve out their niche in an ever-evolving landscape.

Virtual, Hybrid, & In-Person Coaching & Programs

martaravin@gmail.com

"Marta spoke to my college communications students about the TV / film business.

She was engaging, informative, and she left a real impact on my students.

Marta's enthusiasm for, and knowledge of this industry are endless - I can't recommend her enough!"

- Merle Becker,
Mount Saint Mary College

"Marta has the perfect balance of leadership, experience & humor.

She somehow always finds time to mentor or educate less experienced teammates.

Marta's been a friend and co-collaborator for almost two decades.

Marta is the MVP."

-Esteban Serrano,
Producer
Yo! MTV Raps

"Marta is one my favorite producers to work with.

She gets my humor and voice and I trust her 100%!"

- Claudia Jordan,
Host & Actress

REEL RESILIENCE

Succeed in the Evolving Media Industry

You've earned your film, television, or digital content degree, but now what? As the media landscape undergoes seismic shifts, the path to success for new graduates may seem uncertain.

Join Award-Winning Showrunner & Executive Producer Marta Ravin as she shares her experience and unique perspective on how to thrive in an industry facing unprecedented challenges.

In this session, you will learn:

Strategies for breaking into media amidst rapid change and tips for leveraging your creative skill set in non-traditional industries.

Insider tips on working with talent, making lasting impressions, and navigating the complexities of the professional world.

Marta's expert insights on developing your own personal brand NOW so you can make your presence known and hit the ground running.

Essential items for your Production Assistant (PA) Go Bag, ensuring you're always prepared for whatever the industry throws your way.
