FIND YOUR FUNNY

Discover Your Unique Brand of Humor

Whether you're looking to add humor to your speeches, presentations, or content, Marta works with you to bring your unique comedic voice to life.

Why Humor Matters

Humor isn't just about making people laugh—it's about building connections, sharing stories, & fostering authenticity. In today's fast-paced world, where professionalism often overshadows personality, injecting humor into your communication can set you apart and leave a lasting impression.

The Find Your Funny Method

Through a series of interactive exercises and personalized coaching, Marta will help you uncover your comedic style, refine your storytelling skills, and infuse humor into your meetings, speeches, and presentations.

Tell Your Story

There is so much power in telling your story. Connecting the dots of your personal career or your company's trajectory not only helps your clients connect with you emotionally it helps you own your path. After decades of telling stories on television, Marta can create a short piece of content that can be used on your website or social media that tells your journey in your own words, with pictures, client testimonials etc. It's one of the most powerful way to own the narrative.
